

HEALTH AND HOSPITALS FUNDING

Over \$96.4 million to redevelop Nepean Hospital, which will mean:

- o 6 more operating theatres
- o Extra day only and extended day only beds
- o 2 new purpose built 30 bed surgical wards to replace older wards
- o New surgical outpatient clinic
- o A new 12 bed intensive care pod, including 6 more ICU beds
- o A new Renal Dialysis unit for hospital inpatients
- o A new 64 bed Mental Health Unit and Community Mental Health facilities
- o An extra 32 chairs in the Oral Health Building

Secured an extra \$6 million for Nepean Hospital under the National Health and Hospital reform, delivering:

- o 20 new acute beds
- o 6 new sub acute beds
- o An extra \$500,000 for the Hospital in the Homes program
- o Recruitment of an extra 29 nurses and 4 other medical staff

\$17.2 million in funding for the new Nepean Clinical School, which will help train doctors and give local patients access to better health services
